Dear District Governor Hsieh,

Juliet and I send our congratulations to you on serving as District Governor during this exciting 2017/18 year. We're glad you're a part of our team, and together, we'll accomplish great things.

District conferences are a wonderful opportunity to connect with your fellow district leaders. While Juliet and I would like to attend each and every district conference around the world, regrettably that's impossible. However, we can send a representative in our place that will be very knowledgeable, informative, and inspirational.

I have given much thought and consideration about Rotarians who would make outstanding president's representatives at each of the 539 district conferences this year. It is with pleasure that I inform you that Juliet and I have invited Past District Governor Mau Kiong Chong and Len to represent us at your district conference on 18-Mar-2018 in Taichung City, Taiwan. They can be reached at:

President's representatives are an important component to your district conference. They can assist in numerous ways and I encourage you to work closely with your representative to ensure a productive and successful district conference. Attached are documents that will help you assist the president representative as they play a key role at the event. Also included is my personal message to the Rotarians and guests attending the conference. Please share this information with your conference chairman and appropriate committees.

We prioritize Rotary in our lives and accept the responsibilities of Rotary office, because we believe that Rotary is the best way we have to make a difference in our world. We value our Rotary involvement because we know the difference that Rotary makes in the lives of so many others. Our organization will continue to thrive because of your commitment as district governor.

You play a key role in encouraging your fellow Rotarians to utilize their talents and efforts to make a difference in the lives of others by *Rotary: Making A Difference*.

Juliet and I hope your district conference is a successful and productive one. We wish you all the best and hope you finish the conference feeling both motivated and inspired. Together, the world will be a better place through our service in *Rotary: Making A Difference*.

Sincerely,

Ian H.S. Riseley

President, Rotary International 2017-18
